IRCTC [fixture] Q2FY27 Earnings Conference Call
Moderator: Good afternoon and welcome.
Management: Thank you. Let me take you through the performance for the quarter.
We expect revenue growth of 12 to 14 percent for FY27.
We are confident EBITDA margin will be around 35% in Q2 FY27.
Analyst: Could you explain why catering margins declined this quarter?
Management: Input cost inflation weighed on catering, we are taking price actions.
