SYNTHETIC FIXTURE - NOT A REAL FILING

IRCTC [fixture] Annual Report FY2026

Management Discussion and Analysis

Business overview: The Company operates four business segments - Internet Ticketing, Catering, Rail Neer (packaged drinking water) and Tourism. Internet Ticketing contributed 31% of revenue from operations, Catering 45%, Tourism 17% and Rail Neer 7% in FY2026.

Risks and concerns: Competition from private platforms and changes in convenience-fee policy are key risks.

Outlook: The Company plans capacity expansion at Rail Neer plants and new tourism trains.
